

BENEFITS

Ingenium is a premier professional development opportunity for the engineering and geoscience community in Manitoba. With participants representing a cross-section of the 8,000+ practitioners who work in the province's private and public sectors, this multi-day event offers substantial value to program sponsors:

- ✦ Excellent networking and business development opportunities
- ✦ Exposure to senior decision-makers in the industry
- ✦ Association with a well-organized and productive event
- ✦ Recognition as a supporter of excellence in engineering and geoscience
- ✦ Exposure to new talent in the engineering and geoscience fields

Program sponsors will also receive a sponsor recognition package commensurate with their level of support.

This proposal outlines all levels of sponsorship as well as conference events. If you are unable to contribute financially, we'd be pleased to discuss in-kind sponsorship. Contact us to discuss a sponsorship package tailored to your needs, including all levels and forms of in-kind contributions. Sponsorships are time sensitive and secured on a first-come, first-served basis.

EVENTS

► TUESDAY

16

New Members Luncheon

This luncheon is held three times a year to recognize new members and present them with their licence certificate. Attendance is by member invitation and additional purchased tickets, offering approximately 80 new members and guests, Association councillors, and staff the opportunity for more intimate conversation and socializing, adding to the appeal of this enjoyable and informal gathering.

► WEDNESDAY

17

Recognition Wine & Cheese

This reception is to honour Association Past Presidents, new Association Life Members, and those receiving their Engineers Canada FEC and Geoscientists Canada FGC designations. Attendance is by invitation and additional purchased tickets, and it is a wonderful opportunity for this intimate group to gather and socialize while receiving their fellowship certificates and pins.

EVENTS

► THURSDAY

18 Professional Development Seminars
The popularity of this well-attended event speaks to its value in supporting the professional development of Association members. Multiple breakout sessions exploring technical topics, innovation, and leadership, as well as two powerhouse plenaries will be offered at this informative event.

Business Meeting & Reception

The Annual General Business Meeting is the yearly opportunity for members to become directly involved in the business of the Association, vote on current matters, acknowledge councillors completing or just beginning their terms, and the passing of the gavel to the incoming Association President.

► FRIDAY

19 Awards Gala Dinner
Fine cuisine and highly enjoyable entertainment set the stage for a first-class evening honouring member achievements and corporate contributions to the professions. Approximately 250 guests will be joined by representatives from government and industry for this special annual black tie event.
