Honorary Life Membership

to

EDWARD ALBERT SPEERS

B.Sc., M.Sc., Ph.D. (Chem.), P.Eng.

Ted Speers was registered with this Association in 1960 and has been a continuous member for 36 years. He was previously registered with the Association in British Columbia.

Ted Speers was a member of Council for four years and served as President in 1987-88. He served on the Bulletin Committee for 23 years, the Technical Journal File System Committee for three years, the Research and Development Committee for 14 years, the Nominating Committee for five years, the Premises Committee for two years, the Annual General Meeting Committee for eight years, the Ad Hoc Committee on the Use of the Engineering Seal for two years, the Awards Committee for one year, the Ad Hoc Committee on Technologists for one year, and the Ad Hoc Committee for the Centennial for one year, and he was Chair of the Admissions Review Board for two years - a total of 66 committee years of service.

In addition, Ted served as the Association's Registrar from November, 1983 to June, 1984, and he has served as the APEM Member of the University of Manitoba Faculty Council. Ted received the Association's Outstanding Service Award in 1980.

In 1993, Ted received his Ph.D. in Engineering from the University of Manitoba.

Honorary Life Membership is granted to Ted Speers by Council in recognition of his many years of service to the Association, his contributions to the engineering profession and his demonstration that learning is a lifetime endeavor.
