To learn more about us – go to: <http://www.freshprojects.ca/>

We are located in Winnipeg, Manitoba in the St Boniface Industrial Park (off Dugald Rd).

Position Summary

We are currently recruiting an experienced Civil / Structural Engineer (with successes on projects in a design-build setting) to help us grow our business.

Responsibilities

- Undertake civil engineering design, review for a wide range of projects
- Provide support and mentorship to junior team members
- Lead design review process
- Provide strategic input into the preparation of proposals
- Design and stamp medium to complex designs
- Prepare specifications and drawings for building permit and tender
- Lead a multi-disciplinary design team in delivering positive client performance
- Maximize profits

Qualifications

- **Demonstrated proficiency in written/oral communication in the English language**
- P.Eng with Minimum 5 years of work experience in a similar capacity
- 8-10 years of construction project management leadership
- Strong people management background
- Demonstrated experience in reviewing construction drawings and site work
- Demonstrated experience in construction quality control and reporting
- Demonstrated experience in Design-Build or AFP delivered projects

- Ability to work with multi-discipline technical teams and maintain effective working relationships
- Ability to foresee problems and avoid them
- Knowledge of multiple trade disciplines
- Good knowledge of general business issues - identifies competitors and understands current market conditions
- Ability to identify risk associated with contract/project documents
- Strong working knowledge of Microsoft Outlook software
- Must be alert and resourceful and be able to interact with a cross section of individuals
- Meticulous documenter
- Must be able to demonstrate patience and perseverance, and embrace change when it occurs
- Ability to travel to remote job sites

Type of Person Who Will Succeed in this Role

- **Be a team player and able to project a strong professional demeanor**
- Proactive approach to problem solving (and problem avoidance)
- Directive personality – strong negotiator
- Outgoing – interacts in a socially engaging manner
- Enthusiasm and honesty
- Sense of urgency – with a high tolerance for ambiguity
- Detail oriented / numbers focused – but with creativity to get the job done
- Strong drive to help others..... and for bottom line results!

FRESH projects design builders offers an exceptional compensation package including group benefits and opportunities for advancement.
