

# Chief Operating Officer

Valley Fiber Limited, a locally owned and operated technology firm based in Winkler, MB is seeking an enthusiastic and self-motivated Chief Operating Officer to join their executive leadership team.

Valley Fiber Limited is a locally owned and operated technology firm based out of Winkler, MB. The ever-growing need for fast and reliable telecommunications has spurred on innovation. This innovation and its almost limitless potential has been one of the core passions for the Valley Fiber development team. Since 2017, this team has been working on bringing its next-generation dedicated fiber optic infrastructure design to the region. Valley Fiber was incorporated in December of 2016 and has since formed many partnerships with industry-leading developers to create and finalize its innovative design.

In this newly created position, the **Chief Operating Officer** will collaborate with the Chief Executive Officer and the Board of Directors/shareholders and oversee the operations of the organization to meet business goals and projections.

The **COO** will also:

- Empower the operational team with the leadership and resources they need to successfully complete operations initiatives
- Positively represent the company at all times through a success-oriented and professional demeanor
- Partner with other C-level executives – especially the CFO – to accomplish short- and long-term operational goals
- Set comprehensive goals for operational performance and growth, and measure and report on operational performance, e.g. by analyzing and interpreting data and metrics
- Develop plans to improve relevant key performance indicators
- Manage relationships with partners/vendors
