

## **Intermediate Mine Geologist (40725)**

*Location: McArthur River*

### **The Role**

Reporting to the chief mine geologist, you will be responsible for the management of tasks and duties within the McArthur River geology department. You will work collaboratively within the department and engage site stakeholders on improvement opportunities and initiatives.

### **In this role, you will:**

- Provide oversight for diamond drill core logging and sampling, underground development mapping, computerized data management and data quality assurance/quality control (QA/QC).
- Assist with drillhole planning and drafting, downhole deviation surveys and radiometric surveys.

### **Required:**

- Bachelor's degree in geology or geological engineering
- Minimum of two years of relevant geological/mine geology experience (core logging, underground geological mapping)
- Strong verbal and written communication skills, excellent computer skills and the ability to work independently and in a team environment
- Ability and willingness to perform manual labour, including heavy lifting, as required for this position
- Valid class 5 driver's licence
- Safety oriented work attitude
- Work a rotational schedule and commute to site by aircraft

### **Recommended:**

- Experience working in a mine geology and an underground work environment
- Working knowledge of geological database and mining software: AcQuire, Vulcan and Leapfrog
- Eligible for membership with the Association of Professional Engineers and Geoscientists of Saskatchewan (APEGS)

### **Conditions of Employment:**

- Pre-employment substance test
- Background check required

### **Cameco is proud to offer a competitive total reward package which includes:**

- Competitive compensation program with base and variable pay
- Flexible health, drug, dental, and vision plan with a health spending and personal spending account
- Fixed benefits including employee and dependant life, AD&D, disability benefits and paid vacation leave
- Employee & Family Assistance Programs
- RRSP and RPP matching program
- Career development opportunities
- Relocation costs

Cameco is an employment equity employer and aims to achieve gender parity, and as such, preference will be given to qualified members of equity groups. We are strengthened by the diverse backgrounds of experiences and encourage applicants with various levels of expertise to apply, as equivalent combination of education and work experience are considered.
