

**FAMILY LEGACY BURSARY DRAW APPLICATION FORM**  
**(Formerly know as the Sons and Daughters Bursary Draw)**

The purpose of the bursary is to assist students who are continuing the professional lineage in their immediate family. Five (5) bursary awards of \$1,000 each will be given annually. The awards are non-renewable. Bursary recipients will be selected by random draw shortly after the deadline of September 1.

**ELIGIBILITY:**

- Open to the children of Engineers Geoscientists Manitoba members, in good standing, who are enrolled in 1<sup>st</sup> year engineering or geoscience studies at a CEAB recognized university or college.
- Students can only enter the draw once; no repeat entries will be accepted.
- The bursary is not available to grandchildren nor in-laws.
- For the purposes of this bursary, "members" do not include the categories of intern, temporary licensee, or specified scope of practice.

**TO ENTER:**

The parent who is a member of Engineers Geoscientists Manitoba is asked to provide the following information and submit the form to Grant Koropatnick, CEO & Registrar, at [GKoropatnick@EngGeoMB.ca](mailto:GKoropatnick@EngGeoMB.ca) before the deadline of September 1.

Member Name: \_\_\_\_\_

Member Number: \_\_\_\_\_

Student Name: \_\_\_\_\_

Name of Institute: \_\_\_\_\_

Names of the bursary recipients and their parent will be featured in the Keystone Professional magazine.

- I hereby give Engineers Geoscientists Manitoba permission to publish my name and my child's name if they are selected as a recipient of the Family Legacy bursary.

**REQUIREMENTS:**

After the draw, bursary recipients will be contacted and asked to submit a copy of their university acceptance letter and provide a verification of enrolment form after the first term voluntary withdrawal date.
