

CALL FOR VOLUNTEERS

Are you interested in Volunteering? Are you in need of Volunteer Hours? If so, the Association is looking for a Professional Engineers to sit on the Academic Review Committee.

Academic Review Committee

The Academic Review Committee (ARC) is responsible for assessing the academic credentials of those applicants who do NOT have a Canadian bachelor's degree in engineering or geoscience. The ARC is made up of registered professionals from all engineering and geoscience disciplines.

General Duties and Responsibilities:

- Review files of applicants provided by Association staff.
- Participate in regular meetings with the ARC to discuss issues and policy development related to this committee.

Specific Skills and Qualifications

- Be a Professional Engineer (P.Eng.)
- Preferably hold a post-graduate degree in the discipline specified. An academic background is desirable but not required.
- Be able to commit to reviewing files on a regular basis.
- Be available for meetings either in person or by teleconference
- Be available on a regular basis for interviews of applicants – usually once or twice per year.

Specific Disciplines Committee is Seeking:

- Mechanical
- Electrical
- Biosystems

Time Commitment:

The committee meets every second month (6 times a year) with the meetings running approximately 1-2 hours in length. Attendance at all meetings is not mandatory and committee members are able to attend by teleconference. Policy meetings (which are once per year) are especially important.

How to Apply:

If you have the right skill set and are interested in joining the Academic Review Committee, please email Diana Vander Aa, at volunteer@enggeomb.ca with an attached *.pdf resume outlining your qualifications.
