SPONSORSHIP 2024

INGENIUM SPONSORSHIP OPPORTUNITIES

Ingenium is a premier professional development opportunity for the engineering and geoscience community in Manitoba. This year's Ingenium Professional Development Seminars will be held in a virtual environment, allowing broader participation of the Association's geographically diverse 9,000+ practitioners who work in the province's private and public sectors.

The annual Engineers Geoscientists Manitoba Awards Ceremony will take place in-person, honouring member achievements and corporate contributions in the fields of engineering and geoscience. This multi-day event offers substantial value to program sponsors:

-  Focused engagement with practitioners from the fields of engineering and geoscience across Manitoba
-  Exposure to senior decision-makers in the industry
-  Association with a well-organized and productive series of events
-  Recognition as a supporter of excellence in engineering and geoscience
-  Exposure to new talent in the engineering and geoscience fields

*Where great minds
meet to form great ideas*

Sponsors will also receive a sponsor recognition package commensurate with their level of support.

This proposal outlines all levels of sponsorship available as part of the virtual Professional Development Seminars and Annual Awards Ceremony. If you are unable to contribute financially, we'd be pleased to discuss in-kind sponsorship. Contact the Association to discuss a sponsorship package tailored to your needs, including all levels and forms of in-kind contributions.

Sponsorships are time sensitive and secured on a first-come, first-served basis.

PROFESSIONAL DEVELOPMENT SEMINARS

NOVEMBER 19 - 21, 2024

Featuring a variety of timely keynote sessions, technical topics, and soft skill development, the popularity of this well-attended annual event speaks to its value in supporting the professional development of Association practitioners. Held virtually once again this year, this format allows for broader participation for those located outside of Winnipeg and additional exposure for sponsors through the flexibility of the on-demand library of recorded sessions. At the end of the conference, a new networking event will be held at the EngGeoMB Association office at 870 Pembina Highway.
