OUTSTANDING SERVICE AWARD

The terms of reference for the Outstanding Service Award provide that recipients shall be members of the Association of Professional Engineers who have performed outstanding service to the Association, including service on the Certification Board or the Panel of Examiners of The Manitoba Society of Certified Engineering Technicians and Technologists Inc.

Andrew William Gilliland has served on the Employee Engineers Committee, the Legislation Committee, the Admissions Review Board, the Nominating Committee and the 1972 Canadian Council of Professional Engineers Convention Committee. He assisted in the preparation of two briefs on labour relations legislation and presented the second one before the Labour Relations Committee of the Manitoba Legislature which resulted in changes to Bill 81 of considerable significance to our own and other professions. Mr. Gilliland is presently Chairman of the Legislation Committee which is considering changes to the Act and By-Laws. For the Manitoba Society of Certified Engineering Technicians and Technologists Inc. he is serving on the Certification Board and the Board of Directors.
