

Manitoba Government Job Opportunities

Control Technician

Regular/Full-Time

Manitoba Public Service Delivery

Operations – District 4, Asset Management

The Pas MB, Brandon MB

Advertisement Number: 45149

Salary Range: \$72,981.00 - \$88,633.00 per year plus remoteness allowance and qualification pay if applicable

Closing Date: June 14, 2026

The Manitoba government recognizes the importance of building an exemplary public service reflective of the citizens it serves, where diverse abilities, backgrounds, cultures, identities, languages, and perspectives drives a high standard of service and innovation. The Manitoba government supports equitable employment practices and promotes representation of designated groups (women, Indigenous people, persons with disabilities, visible minorities).

Employment Equity is a factor in selection for this competition. Consideration will be given to women, Indigenous people, visible minorities and persons with disabilities.

An eligibility list may be created for similar positions and will remain in effect for 12 months.

Candidates who do not meet all essential criteria may be considered on an underfill basis at a commensurate rate of pay.

Duties:

Reporting to the Maintenance Manager or designate, the incumbent is responsible for the installation, repair and maintenance of pneumatic/electric and Direct Digital Controls for HVAC and refrigeration systems in Manitoba Infrastructure buildings in District 4. The incumbent is responsible for remote and on-site monitoring and programming of building DDC systems for facility system performance, energy savings and troubleshooting. Incumbent will also be responsible for on-site training to operating staff in proper readings and adjustment of controls.

Why Work For Manitoba Government?

The Manitoba government values its employees, recognizing the important role that each person plays in delivering exceptional services, programs and support to the province. Your important contributions are recognized with a comprehensive package of benefits, including an attractive salary, pension plan, health and wellness benefits, and other supports to encourage work-life balance.

Financial Security

- Attractive salaries
- Defined pension plan
- Life insurance coverage
- Long-Term Disability Plan

Benefit Plan

- Employer paid health care benefits including health, dental and vision
- Extended health care for services such as physiotherapy, chiropractor, massages, acupuncture and more
- Annual health spending account for eligible employees

Commitment to Health and Wellness

- Employee and Family Assistance Program
- Paid time-off including sick leave, wellness days and family related leave days
- Flexible work arrangements for eligible positions
- Generous vacation entitlements, increasing with years of service
- Parental, maternity, and adoptive leave options

Professional Growth & Development

We want our employees to thrive and grow and are committing to investing in their development. We offer multiple avenues of support such as inhouse training, educational assistance and leadership development programs to help achieve these goals.

Organizational Culture and Values

The Manitoba government is committed to a work environment and culture that values and recognizes every employee. When we look at Manitoba's Public Service, we see a reflection of Manitoba's diversity. We come from differing educational, cultural, and ethnic backgrounds and work in a wide array of jobs across the province, we are all public servants.

Impact on Manitoba's Future

By working for Manitoba's Public Service, you have the unique opportunity to use your time to serve the land, communities, and the people of Manitoba. You can leave a lasting mark that will impact both current and future generations.
