

## Resignation

### USING THIS FORM

---

Resigning from membership in good standing is suitable for those who no longer wish to practice engineering or geoscience in Manitoba. A resignation in good standing maintains a clean record with the Association and can facilitate future reinstatement or transfer between provinces.

Please complete and return this form if you wish to resign from membership. Resignation will result in a member's forfeiture of their right to practice engineering and/or geoscience, as applicable, in the Province of Manitoba.

Once complete, please submit the form to the address above. If you choose to submit this form digitally, please e-mail the completed form to [Info@EngGeoMB.ca](mailto:Info@EngGeoMB.ca). Digital signatures or scanned documents with panned signatures are acceptable.
